

- 4 Read the description of God's guidance of the people of Israel in the wilderness, through a pillar of cloud by day and a pillar of fire by night, in Exodus 40:34-38. If you had been part of that multitude, in what ways would that clear guidance have been comforting? In what ways might it have been frustrating?
  
- 5 Describe a time in your life when you struggled to respond properly to something that you knew God had said. What did you learn from that experience?
  
- 6 Of all that you know God is asking of you today, what tends to be the most difficult for you to accept, and why?
  
- 7 Close your time in prayer for each of you as individuals, and for us as a church, that we would all respond as we should to the voice of God.
